

The background is a vibrant, abstract composition. It features large, organic shapes in shades of purple, teal, and orange. These shapes are decorated with various patterns: some have white wavy lines, others have small white dots, and one has a pattern of small white dashes. A large, solid white circle is centered on the page, serving as a backdrop for the text. To the right of this circle, there is a smaller, solid purple circle. The overall aesthetic is modern and artistic.

Exceptional floating holidays

Having fun is more important than ever before and our cruises provide a truly exceptional holiday where everyone can thoroughly relax and enjoy themselves. On board the Carnival ships, you can relax in bars, restaurants and nightclubs, enjoy top-of-the-range sports and leisure amenities, chill in the spa, watch the latest film or join an activity – wine tasting, quizzes, golf, Pilates. Outside in the sunshine, an extensive deck area features pools and water slides. Dining options range from fine restaurants to informal bistros, a sushi bar and 24-hour pizzeria. You will be treated to first-class entertainment in piano bars and comedy clubs and cutting-edge shows. And fun is not limited to onboard activities only. You can experience the best shore excursions in the most memorable destinations.

The world's most luxurious cruises

Uniworld offers the ultimate indulgent cruise experience. In terms of service and attention to detail, they remain unsurpassed and their fabulously opulent flagship means she is still the queen of the ships. Onboard culinary teams prepare a selection of sumptuous meals using only the finest and freshest ingredients. The crew are able to anticipate individual preferences and make each passenger feel very special. With elegant interiors, spacious and cleverly-designed cabins, superb cuisine and excursions at major ports of call, Uniworld's vessels offer one of the most unforgettable travel experiences. Three new programmes can help passengers personalize their cruise: excursion options are designed to provide alternative experiences such as guided walking tours, active cycling or hiking, and exploring on their own.
